Health Datapalooza Call for Speakers FAQ's:

- ***Do I have to be an AcademyHealth member to submit or present?***
  No, we do not require membership for submissions or presentation.

- ***Are there discounts for speakers?***
  Speakers do need to register for the meeting and will receive a discounted rate. Registration rates will be posted in late October.

- ***Can I submit a proposal if I have spoken at Datapalooza before?***
  Yes, as long as the either the topic/innovation is new, or you have new data/results about the impact of an innovation previously presented.

- ***Can I edit my proposal?***
  Yes, submissions can be edited until the deadline: Thursday, October 27 at 5:00 p.m. ET.

- ***If my proposal is selected, what happens next?***
  The AcademyHealth staff will reach out to you in early December with more information once all proposals have been reviewed by the selection committee.

- ***What role does a moderator play?***
  The moderator is a knowledgeable neutral party that helps run the session and leads the panel discussion.

- ***Can I use slides for my lightning talk?***
  The most important aspect of lightning talks is to tell a story to the audience. Use whatever medium you feel appropriate to tell your data story. A lightning talk is not a lecture – do not read from your slides!

- ***Additional Information for Submissions and Accepted Presenters:***
  All submitters should be prepared to present in-person, and this will be a vaccine-required event. All in-person attendees and presenters will be asked to show proof of vaccination to enter the conference space. Additional health and safety protocol information will be posted on the Health Datapalooza webpage.
